

### REMARKS

Claims 1-14 are pending. The claims have been amended for clarity. No new matter is introduced by the Amendments. The specification is amended to reflect the priority claim.

An IDS accompanies this response.

### SPECIAL NOTE

**Please note that the USPTO incorrectly processed Applicants' power of Attorney for this case (power was apparently entered into the PTO records for an unrelated attorney, and the mailing address was incorrectly assigned). A copy of the previously submitted power of attorney and indication of mailing address is submitted herewith. Please ensure that the PTO records regarding power of attorney and correspondence address are corrected for this case.**

### CONCLUSION

Applicants believes all claims now pending in this application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If a teleconference would be helpful to examination of the case, please telephone the undersigned.
